Online Education

1. Does all programs/courses were completed on time.	Yes		
2. Measures taken to complete the syllabus of courses and programs.	<p>Teaching, learning and evaluation had to face the challenge of transition from online to physical mode during the 2021-22 academic session and Jadavpur University handled it with aplomb for timely completion of syllabus and examination. The COVID pandemic maintained its disruptive influence during the odd semester of the session when the University had to continue with the digital mode of education through online lectures. The students and teachers were amply supported by the University to impart education in a seamless manner following the curriculum and syllabus of various programmes. Academic calendars were formulated taking into account the views of the stakeholders and in a way so that none of the students face any difficulty in completing their course. The G-meet platform and the Google Classroom portal under the G-suite facilities, licensed by the University, were used for online education. The digital course materials developed by the teachers helped the students in acquiring the knowledge and class notes. Once the University reopened in physical mode, following nearly two years of online education, all measures were taken for safe return of all the stakeholders back to the University. Sanitization of the classrooms, laboratories, library, hostels etc had been done following the government norms. Proper vaccination of the students and teachers were ensured. The students were given full support to acclimatize in the physical mode of education during the academic session once they return to the classrooms. The University administration and faculty members gave total support the student community in every respect to get them back into the system once again.</p> <p>The odd semester examination of the session was conducted in online mode, as was the practice in a few earlier semesters, ensuring that none of them face any difficulty in taking the examinations. The positive intervention of the University continued in overcoming the digital divide for the students from remote areas and economically weaker section by sponsoring the data card for online access. The coordination in conducting the examination was done by the Controller of Examination section through the respective departments and schools. The even semester examination was conducted physically using the normal practice.</p>
