

## **2 Years B.Ed Syllabus**

### **Department of Education**

### **Jadavpur University**

In pursuance with the Gazette Notification (Extraordinary, Part III-Sec 4) on 20<sup>th</sup> November, 2014 (Appendix 4), NCTE (Recognition Norms and Procedure) Regulations, 2014 and according to the norms and standards of Jadavpur University, the B.Ed. curriculum has been framed. The B.Ed. syllabus includes 6 courses on Perspectives in Education, 5 courses on Curriculum and Pedagogic studies (including one pedagogy course on any of the school subject areas), school internship and 5 courses on enhancing professional capabilities. The optional courses of 2 credits weightage in the area of educational significance have been covered in the syllabus. The B.Ed. syllabus covers 16 courses along with internship in four semester duration. A total of **80 credits**, that is, **2000 marks**, are covered in four semesters (500 Marks each). It covers teaching of theory courses of 40 credits, Practicum and Field work 26 credits and internship of 14 credits respectively. Theory course teaching will include classroom based teaching learning activities like lecture, discussion, dialogue, small group session, workshop, presentation, etc.

The Practicum and Field works will include hands on experiences in real school situations as well as in simulated forms. Observations, interviews, focused group discussions, anecdotes, diary, maintenance, collection of audio visual data, reflective diary writing, development of teaching learning materials, exhibitions, debates, role play, cooperative learning exercises, demonstration, case studies, action research, projects, etc.

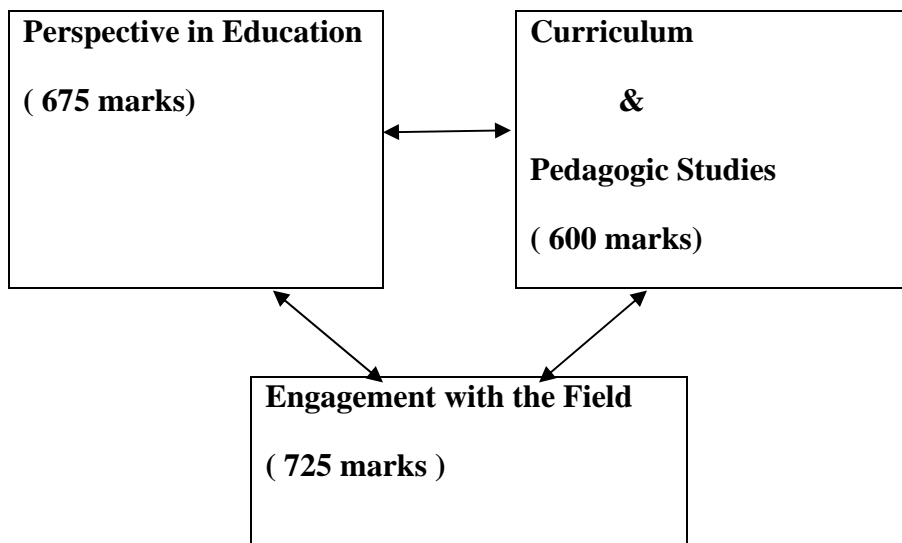

The internship will include fulltime engagement in real school situations for a prolonged period of 16 weeks duration. This will cover observation, instructional design, planning, intervention practices, classroom teaching, record keeping, co-curricular activities, formative evaluation practices and interpretation, and community projects under the supervision of teacher educators and mentors from the concerned schools.

The B.Ed. programme includes theory based teaching learning activities and Practicum (including Internship) on 50:50 bases. Total numbers of credits allotted to theory related teaching are 40 credits (1000 Marks) and Practicum plus internship 40 credits (1000 Marks) out of a total of 80 credits, that is, 2000 Marks.

- Semester means effective teaching work of 16 weeks excluding admission and semester end examination period.
- One credit of teaching activities means one hour effective teaching of theory course in each week for 16 weeks: Total 16 hours teaching per credit.
- One credit for Practicum / Field work / Internship means two hour effective work in each week for 16 weeks. Total 32 hours of practicum per credit.

The programme has three broad curricular areas –

- ❖ Perspectives in Education,
- ❖ Curriculum and Pedagogic Studies, and
- ❖ Engagement with the Field.

### **I. Perspective of Education:**
