Announcement of Post Doctoral Fellowship, 1 position

INDEE+ Post-Doctoral Fellowship (I-PDF)

See Complete notification and apply on-line at: <https://www.ntnu.edu/indee>

Objective of INDEE+ Post-Doctoral Fellowship (I-PDF) is to identify, encourage, and support the young motivated bright researchers **for doing research in the frontier area of Refrigeration and Heat Pumping Technologies**. The researcher position is fixed for a period of three years. The fellows will work under a mentor from one of the four Indian Institutes (host) and NTNU, Norway (lead institute), and it is trusted that the INDEE+ network will facilitate the fellows with an effective platform to develop as an independent researcher. IPDF facilitates the research positions in host institutes with gender equality.

Nature & Duration of Support

- The fellowship is tenable only in India and **one position each at the following recognized Indian institutions: BITS Pilani, IISc Bangalore, IIT Madras, CIFT Kochi**
- The fellowship is purely a temporary assignment and is tenable for a period of 36 months
- **Fellowship amount INR 70,000 per month**
- Additional provision of contingency reimbursement
- Additional support for attending conferences in India and abroad during INDEE+
- Expected joining: in August 2021
