A REQUEST

The University has arranged to take feedback from the students on the curriculum at the end of every programme in the format of "Curriculum and Course Exit Survey". As the University is going for NAAC accreditation, the University also has arranged to take the "Student Satisfaction Survey" from all the students as a requirement of NAAC. The survey formats have been prepared following the NAAC guidelines.

The students can register their feedback online using the following URL:
<https://ctnodeapps2.azurewebsites.net/login>

The process of registering the feedback is also uploaded on the website.

I write this to request all Heads of the Departments and Directors of Schools to inform the students to register their feedback.

Suranjan Das.
