# Student Feedback

# Summary of the Feedback Process

1. Students have to register their feedback online by following the steps given in this instruction

2. All students of all programmes have to submit the "Student Satisfaction Survey" in the portal

3. Only the Final Year Students of all programmes have to submit the "Curriculum and Course Exit Feedback" in the portal. [**Do not fill up the "Curriculum Feedback" form in the portal**].

4. The "Curriculum and Course Exit Feedback" is to be given individually for any three courses of the final year. Thus, each student will submit this feedback form three times, once for each course.

5. In the "Curriculum & Course Exit Feedback" the students have to choose one option out of five (in 5 to 1 scale) against each question considering the following:

   **5: Strongly Agree,     4: Agree,     3: Neutral,     2: Disagree,     1: Strongly Disagree**
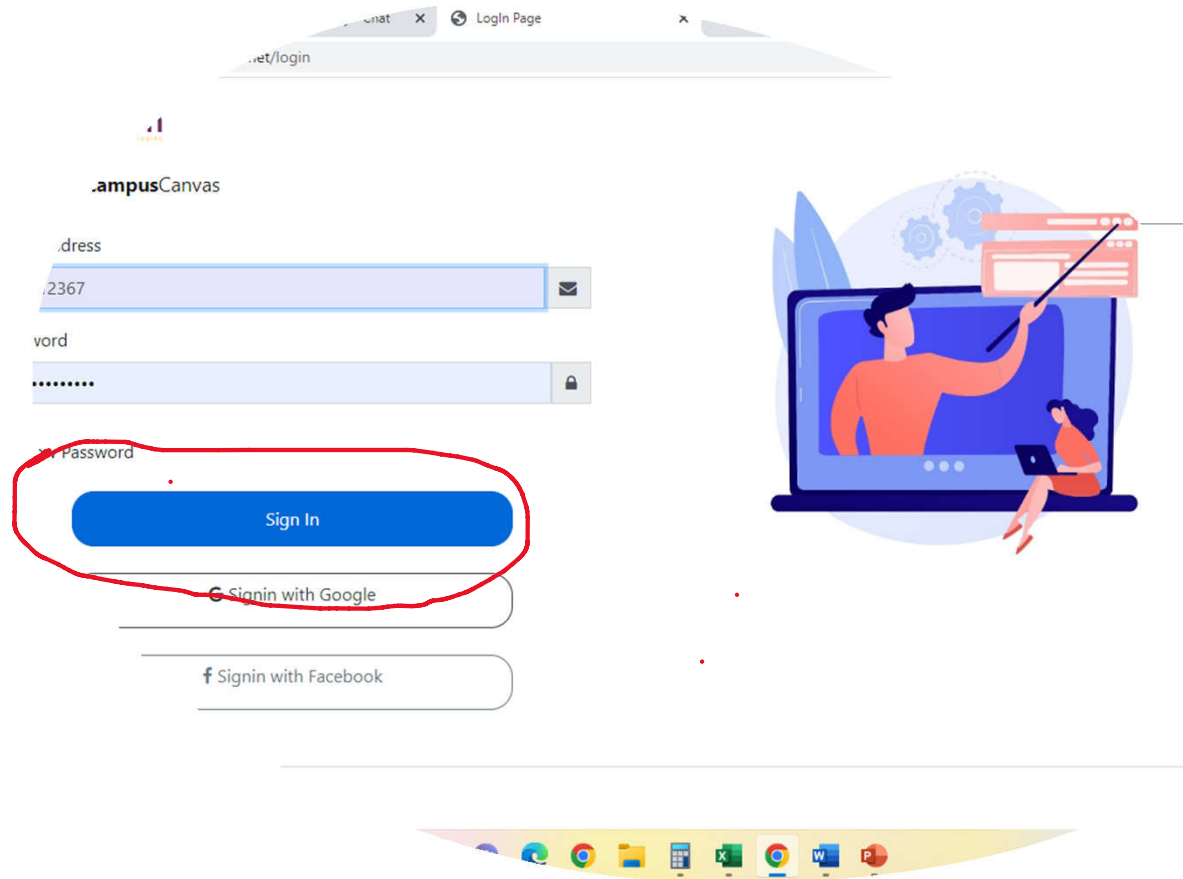

# How to give feedback

Open new browser

Type
https://campus.technology

Click on Campus Canvas to go to the sign-in page

Alternately, you can directly reach the sign-in page using the URL – https://ctnodeapps2.azurewebsites.net/login

- Put your user id (in place of Email address) and password to sign in
- User id is the Roll No without the "0" (zeros) at the left. Thus for Roll No.001400601004 user id is 1400601004
- Use your newly created unique password. Please create one, if you have not done already. Default password is Password@123

# After sign in click on feedback

# Options to be selected for feedback

Student Satisfaction Survey is here

Do Not Fill This Format

Curriculum and Course Exit Feedback is here
