Date : July 22, 2022

For the kind attention of my colleagues, Jadavpur University:

I write this in continuation of my earlier communication concerning the commendable performance of the University in the NIRF ranking. In that communication I forgot to mention the achievement of Pharmacy Department. I apologize for this.

The Pharmacy Department of the University competed this year under the category of Pharmacy, and it has been ranked 18. This is certainly a performance which needs to be celebrated.

On behalf of the University and on my personal behalf, I convey heartfelt congratulations to the Department of Pharmacy for this attainment.

Regards

Suranjan Das
